

Hendon to replay at Loakes Park

WYCOMBE Wanderers are away to bottom of the table Corinthian Casuals in the Rothmans Isthmian League Division One on Saturday, but the game certain to gain the attention of the local fans does not even concern Wanderers.

At Wycombe's request, Leatherhead and Hendon, two giants in the amateur football scene, will play their F.A. Amateur Cup third round second replay at Loakes Park on Saturday afternoon.

The match is sure to create

plenty of interest as the winner could well go on to reach Wembley and become the very last winners of the cup.

Since Wanderers were knocked out by Blyth Spartans, cup fever in Wycombe has naturally been on the

wane. But this will undoubtedly attract a large following from both the clubs concerned, and this will be supplemented by many local supporters, who will prefer to watch this match, rather than see Blues gain their expectedly easy victory away to Casuals.

Another boost for fans comes tomorrow (Wednesday), when British Colleges South East final between Borough Road College and Culham College will be held at Loakes Park, starting 2.30 p.m.

Borough Road produced Steve Perrin together with two former Wycombe players, Alan Gane and goalkeeper Paul Barron. Entrance for the match is just 10 pence.
